

SAINT JOHN THE BAPTIST ROMAN CATHOLIC CHURCH

On Sunday, June 7 we will offer 2 Outdoor/In Car Masses, following the directives issued by Bishop O'Connell, C.M.. Please be aware of the following:

1. A 10:00am Ordinary Form Mass and a 12:30pm Extraordinary Form Mass will be offered on our campus.
2. Parking lot attendants (wearing masks and traffic control vests) will direct all cars into marked parking spaces that are more than 6 feet apart. Car windows may be down as we have provided for appropriate car distancing.
3. Please remain in your car at all times unless an occupant needs to use the restroom in the Church Hall.
4. No paper materials will be distributed, so the faithful are invited to print out the readings/propers from the links on our website. No collection will be taken. An audio system will be used.
5. To maintain an orderly process, please do not exit the Mass until directed by the parking lot attendants, as Holy Communion will be distributed after Mass at the exit, one car at a time. Appropriate sanitizing procedures will be followed.

Thank you for your prayers and your patience as we continue to move forward during this challenging time. The outdoor/car Masses over the last two weekends were very beautiful and all went smoothly. We are grateful to everyone for their cooperation and to our Knights of Columbus for their wonderful assistance. God bless you and your family!
